

TOWN OF WILTON

SELECTMEN'S MINUTES

Date: January 27, 2014
Time: 6:30 P.M.
Place: Town Office

Present: Selectmen William F. Condra and Richard E. Swanson, and Recording Secretary Mary Guild. Chairman Daniel E. Donovan, III, was absent.

The meeting was called to order at 6:30 P.M. by Mr. Condra, Acting Chairman.

Items listed on the agenda were reviewed.

Bill Condra updated Rick Swanson on his court appearance, today, in the Town of Wilton vs NTV case.

The Judge of the Superior Court asked the defendant to appeal to the town on their issue. The defendant does not wish to appeal on the local level. They wish to pursue legal findings. The town and NTV must return to the court in ten days. If the defendant has not filed an appeal with the town ZBA, the case will be decided in court. If the court finds in favor of the town, NTV may not appeal the decision to the town.

Petition Warrant Articles requirements and deadlines were discussed.

Payroll and Accounts Payable Manifests were reviewed and approved.

The minutes from the previous week's meeting were reviewed. Rick Swanson requested adding Jim Fischer's suggestion that the Selectmen were taking "graft" and that the café might be selling crack. Jim Fischer did indicate that he was not serious in his suggestions of these items. Rick was offended by these two references that Jim made. Bill agreed that the minutes should reflect what was said at the meeting.

Bill did not have recollection of these suggestions being issued from Jim Fischer. The two selectmen present decided to table the signing of the minutes until the ability to discuss this issue with Chairman Donovan.

Rick presented his proposal for the Elderly Exemption Warrant Article. There was discussion on the proposed Warrant Article.

The Handtub to Fire Association Warrant Article and the Warrant Article for Maple Street Land swap were tabled for the next meeting. Bill explained what the Handtub Warrant Article was for. Bill also gave an explanation for the situation regarding the Maple Street land swap.

A motion was made to adjourn the meeting at 7:55 P.M. by Selectman Swanson, seconded by Selectman Condra, followed by a vote with all in favor.

Respectfully submitted;

Mary Guild,
Recording Secretary
